

RD Homeschool SEN Policy 2025 - 2026

1. Introduction

RD Homeschool is committed to providing an inclusive and supportive learning environment for all students, including those with Special Educational Needs (SEN). We recognise the diverse needs of our students and strive to ensure that every child has access to a high-quality education tailored to their individual requirements. Our SEN policy outlines how we identify, assess, and support students with SEN, ensuring they achieve their full potential.

2. Aims and Objectives

- **Inclusion:** Ensure that all students, regardless of their abilities or disabilities, have access to a broad, balanced, and relevant curriculum.
- **Support:** Provide appropriate support and resources to meet the individual needs of students with SEN.
- **Partnership:** Work closely with parents, guardians, to develop and implement effective support strategies.
- **Progress:** Monitor and review the progress of students with SEN regularly to ensure they are achieving their learning goals.

3. Identification and Assessment

RD Homeschool identifies students with SEN through:

- **Initial Information:** Upon enrolment, parents and carers will supply any relevant information including but not limited to letters or reports from external professionals.
- **Ongoing Monitoring:** Regular assessments and feedback from tutors help identify any emerging SEN that may develop during the course of study.
- **Parental and Tutor Concerns:** We take into account concerns raised by parents or tutors regarding a student's learning or development.

4. Support and Provision

Once a student is identified as having SEN, RD Homeschool provides tailored support, which may include:

- **Individualised Learning Plans (ILPs):** Customised learning plans that outline specific goals, strategies, and resources to support the student's learning.
- **Assistive Technology:** signposting parents and carers to tools and software that support learning, such as text-to-speech programmes.

5. Parental Involvement

We believe that parents and guardians play a crucial role in supporting their child's education. RD Homeschool ensures:

- **Regular Communication:** Parents are kept informed of their child's progress and any changes to their support plan.
- **Collaborative Planning:** Parents are involved in the creation and review of their child's ILP.
- **Support Resources:** We provide parents with resources and guidance to help them support their child's learning at home.

6. Training and Professional Development

All RD Homeschool tutors receive regular training in SEN awareness and strategies for supporting students with diverse needs. This ensures that our staff are equipped to deliver high-quality education to all students.

7. Review and Monitoring

The SEN policy and the effectiveness of support provided are reviewed annually. We monitor the progress of students with SEN regularly, adjusting their support plans as needed to ensure they continue to make progress.

8. Complaints Procedure

Any concerns or complaints regarding SEN provision can be addressed by contacting RD Homeschool's SEN Coordinator. We are committed to resolving issues promptly and fairly.

9. Contact Information

For more information or to discuss your child's needs, please contact us at contact@rdhomeschool.com.

RD Homeschool is dedicated to ensuring that all students receive the education they deserve, with the necessary support to help them thrive academically and personally.
